

Orphan Info:

Bear Path's "Orphans" program was created after so many of our collectors asked if we would ever help them find new homes for bears that they had once loved... for bears they no longer had adequate housing for....for bears that they are say to themselves "What was I thinking!"...or for bears when husbands just say "enough". Of course we all know there is always room for one more! I am happy to say that the program has been very successful.

You do need to be able to say "good-bye" to your friends!

To list an "Orphan" you simply ship your bears/friends to Bear Paths at 2815 Jay Ave, Cleveland OH 44113. We will photograph them, list them on a Monday Night Plum Club, and if they are not adopted immediately, they will be added to the permanent "Orphans" site on www.Bearpaths.com. You will determine the price of your "Orphan". When they find a new home, you will receive a 80% credit (less any credit card fees) for any purchase at Bear Paths. If your "Orphan" does not find a home in 90 days, he will be donated....in your name....to "Good Bears of the World".

If you are interested in listing a bear printout this form and complete a copy for each bearyou are sending. This will help me provide the new owner with a history of your bear.

Thank you for inquiring about our new program.
